

2nd Public Information Meeting for the Ecorse Creek and Combined Downriver Watershed Management Plan Projects

Wednesday, June 1, 2005

7:00 pm - 8:30 pm

Brownstown Community Center
21311 Telegraph Road (at King Rd)

Please attend the 2nd public information meeting to learn more about the efforts to develop Watershed Management Plans that will meet state requirements and improve water quality. The watershed committees are working toward having a final plan by early Fall. Please attend, learn about the watersheds and give your input and thoughts on the drafted improvement strategies and action items.
