Dear Ms. Hutko:

We have received the Public Participation Process (PPP) for the Ecorse Creek Watershed dated July 30, 2004. Based on our review we have determined that the process meets the requirements of the MS4 Watershed General Permit No. MIG619000 and is therefore approved.

As facilitator of the Ecorse Creek Inter-Municipality Committee (ECIC), and because only one PPP was required for the entire watershed, I am sending this notice to you only. Please share this letter with the members of the ECIC so they can have a copy for their records. If you have any questions or comments about this letter, please feel free to contact me.

Sincerely,

Patricia A. Huddas
