Re: Ecorse Creek Watershed Management Plan (Revised)

Dear Ms. Yoon:

On behalf of the Ecorse Creek Inter-Municipality Committee (ECIC), I am writing to formally transmit to you the revised Ecorse Creek Watershed Management Plan (ECWMP). This plan is submitted relative to the General Storm Water Permit, and for approval relative to 319 and CMI eligibility requirements.

The Plan originally was submitted to your office on October 31, 2005. By letter dated February 16, 2006, you provided comments on that submittal. The ECIC has been working on revisions to the Plan to address those comments. On April 17, 2006, we wrote you noting that, "based on comments received from Patricia Huddas from MDEQ at our March 23, 2006 ECIC meeting, and subsequent email follow-up from Ms. Huddas on March 29, 2006", we would provide the revised Plan by May 15, 2006. Accordingly, we are providing the enclosed revised ECWMP, which addresses the February 16, 2006 MDEQ comments. To facilitate MDEQ's review of the Plan, we also have included an attachment highlighting the major changes to the Plan and a copy of the Plan with many of the changes highlighted (using the MS Word 'Track Edits' feature).

Please feel free to contact me at 734.374.1473 or Greg Weeks, Project Manager, Wade Trim at 734.947.9700 should you have any questions.

Sincerely,

Craig Lyon, Chair
Ecorse Creek Watershed Inter-Municipality Committee
